

## **WARRANTY**

### **LIMITED 1 YEAR WARRANTY ON MANUFACTURER DEFECTS**

Mike's Metal Fabrication and Custom 4x4 Fabrication offers a limited 1 year warranty against defects in material and workmanship. Warranty does not cover powder coat finishes, damage from shipping, product misuse, improper installation, product modifications or product neglect. Warranty does not cover costs for installation, removal labor or shipping. Warranty claims cannot be determined until merchandise is returned and inspected by Custom 4x4 Fabrication. Custom 4x4 Fabrication reserves the right to replace or repair any part or parts determined to be covered under the warranty. This limited warranty is good for 1 year from the date of original purchase by the original owner.

### **DISCLAIMER**

Custom 4x4 Fabrication nor Pro-Rock Outfitters products should not be relied upon as protection for vehicle in the event of a collision or rollover. Buyer assumes all risk and liability whatsoever resulting from the use of these products. Custom 4x4 Fabrication assumes no responsibility for damage to vehicle from use of these products. There are limitations to the severity of impact that the products can withstand. These products are not a substitute for safe and careful driving. Installation of these products may alter the original characteristics set by the vehicle manufacturer. Custom 4x4 Fabrication reserves the right to make changes in design, materials and specifications or to make product changes as deemed necessary without prior notice. Custom 4x4 Fabrication is not responsible for typographical or printing errors.

\*\*\*\*\*

Custom 4x4 Fabrication is dedicated to designing and fabricating the highest quality products possible and we stand behind our workmanship fully, however, we cannot be responsible for the manner in which you handle your vehicle, therefore we cannot be responsible for damage or injuries resulting from on or off-road use. Off-roading is a sport where vehicle damage and injuries may occur and extra caution and common sense should be used.
